About the Event

The Primary Wing of Delhi Public School, Gandhinagar organized a card making activity titled 'Joy of Colours' for the students of Std. II on 15 February, 2019. This fun activity was planned to develop and enhance creative skills of students.

Objective of the Event

- To sharpen the motor and artistic skills of students
- To develop and enhance the creativity of students.
- To promote and broaden their imagination.

The Event and Participation

All the students of Std. II participated in this activity which was performed in their respective classrooms. The teachers of Std. II helped the students in this activity by explaining and helping them out. The students were provided with cards and were asked to exhibit their creative talents through the use of colours. A splash of red, a dash of orange and a dab of blue set up the mood for the day. All the students actively participated in this activity with great zeal and enthusiasm. It was a fun filled activity with the students making beautiful colourful creations which were admired by one and all.
