“SALUTE TO OUR ARMED FORCES.”

Today is a day to honour all those brave men and women who have served and are serving their country with bravery, dedication and self sacrifice.

The Indian Armed Forces include Army, Navy and Air Force. The Class VII students conducted morning assembly to share with us different details related to our Armed Forces. As all good things start with the prayer so did the assembly, followed by the pledge. Students very smartly presented some untold Facts about the Armed Forces. A special song, presented by a group of 40 students from classes VI – VIII to show their gratitude to our Armed Forces, mesmerised the gathering.

Three different students gave a detailed speech on the individual contributions of Indian Army, Indian Navy and Indian Air Force. Assembly concluded with the National Anthem and dispersal of students back to their classes filled with spirit with patriotic fervour.
