Title: RHYTHM AND RHYME EVENT	Date:14/09/2020
Venue: Online Virtual Classroom	Class: L.K.G. all sections

Music ignites all areas of child development, including intellectual, social emotional, motor, language, and overall literacy. Keeping this in mind, Delhi Public School Gandhinagar organised an event “**Rhythm and Rhyme**” for the students of class L.K.G. on 14th September 2020 through live online classes.

Students enjoyed the beauty of expression, thoughts, feeling, rhyme, rhythm, music and movements by taking active participation in the event. All of them wore white shirt with blue jeans and recited beautiful rhymes which were out of their syllabus with great zeal and enthusiasm. It was very delightful to see the performance of all the participants, as they were holding their props and doing actions too. This event gave them the opportunity to exhibit their talent with confidence.
