Monthly Report for Activities of April-2019

PRE-PRIMARY WING

Fine and Gross Motor Skills Activity

Let's sort the shapes, use your logic and sort-concept of big and small and squeezing activities were planned for tiny tots of pre-primary wing in the month of April to develop fine motor skills, logical thinking and intrapersonal skills. Children were given different tasks to conduct these activities using cut outs of different shapes, sponge and water.

Achievers of Play 2 Learn Carnival

An Inter School Championship was organised Play 2 Learn Carnival on **17th March** at DAV International School, Ahmedabad. Top two ranks were bagged by DPS Gandhinagar in the category of U.K.G., the winners Amulya Tripathi and Vivaan Sharma were awarded with trophies and certificates. Top ten children from the category of L.K.G and U.K.G will be competing for the National Championship to be held on **21st April** in which nine students from our school got selected.

First Day for Tiny tots

The first day of school is a mix of anxiety and excitement not only for a child but also the parents accompanying their wards to the school. The day marks the beginning of the most important phase of a child's life. The new entrants joined the school for the first time on **10th March**. There was hustle and bustle all around and the Pre-Primary section wore a cheerful look as students marched towards their wing in their new and tidy uniforms.

Teachers had decorated the pre-primary area with balloons, festoons, ribbons, creative bulletin boards, etc. in order to create a pleasant and cordial atmosphere for them while they walked towards their classrooms. The children received a warm welcome from the school and the management.

Fun in Sunny Day

Summer is a wonderful season for children as they get a chance to enjoy ice cream, swimming and other outdoor activities. Fun in Sunny Day activity was organised for UKG students on **16th April**. The little ones came to school dressed up in summer clothes. They dreaded the scorching heat but had a real fun playing on the sandpit and in the play area. At the end, students refreshed themselves with juice and lemonade. The children had a wonderful time as their joy was reflecting on their faces.

Earth Day

“Let’s join hands on earth day, to make our earth a better place to live in....”

Our Earth should be protected as it is precious. It is never too early to start teaching children the importance of keeping our planet clean and green. Keeping this thought in mind the students of Pre-Primary celebrated Earth Day on **22nd April** with enthusiasm. Students were shown the globe so that they come to know how our planet Earth looks like. To mark this day and to emphasize upon the need to save animals and trees all the students were shown a movie on Save Earth through which they learnt how to contribute in saving our planet Earth. The students of L.K.G and U.K.G participated in an art activity as they coloured the planet Earth. The tiny tots of Nursery enjoyed doing finger printing in the cut out of planet Earth. Photographs were clicked with the model of the Earth and with the inspiring slogans written on the plank cards. It was a great learning day for everyone and the event organized extensively helped in orienting the young minds to develop a continued compassion for Mother Earth.

Red Day

“Red is the first colour of spring. It’s the real colour of beginning”

Nursery students celebrated Red Day on **24th April**. All the tiny tots of nursery and teachers had dressed up beautifully in red coloured clothes. The class was decorated with balloons, streamers and all red colour objects like cherries, strawberries, apples and many other beautiful things. They welcomed summer by making mouth-watering squash. Later they did many activities related to red colour.

Attractive appreciation badges were given to five selected students as Mr Red, Miss Red and for good efforts.

PRIMARY WING

Importance of Discipline

'Discipline is the bridge between goals and accomplishment'
- Jim Rohn

An assembly was organised by the students of class II-A on 12th April to make the students realize the importance of discipline in school as well as in student life. It began with the prayer which was followed by the school pledge. A beautiful thought on 'Importance of Discipline' was read and explained to the students. They were further enlightened by highlighting the 'Rules of Discipline in School'.

Work is Worship

An assembly was conducted by the students of Class V-A on 15th April to make the students realize the importance of hardwork. A beautiful thought on 'Work is worship' was read and explained to the students. They were further enlightened with amazing facts related to animals and current affairs. A thought provoking story was enacted by the students of V-A which gave a message that everyone should always give their best shot in the assigned task. The students who brought laurels for the school in the International Maths Olympiad (SOF) and in the International Olympiad of Mathematics by Silver Zone Foundation were felicitated with the certificates of merit and medals.

Art and Craft

'Art speaks where words are unable to explain.'

Art and Craft series of competitions were organised for the students of Classes III, IV and V on 20th April which provided a unique platform to all the students to explore their creative side. DPSG has always endeavoured to maintain equilibrium between academics and extra co-curricular activities for holistic development of the students. The various competitions were:

Best out of Waste	Class III
Design Cover Page of School Magazine for DPSG	Class IV
Paper Flower Arrangement Making	Class V

The creativity displayed by the students through beautiful creations was a sight to behold. The winners in each standard were felicitated with certificates.

Summer Splash Activity

Slide into summer and make a big splash

Summer splash activity is a great activity to indulge in, as it helps to strengthen a student's body balance and muscle coordination. It also boosts their social skills. All the students of Classes - I and II participated in the water splash activity with full zeal and enthusiasm. The students had lots of fun in the water splash activity. They got an opportunity to dance to the beats of electrifying music under the water sprinklers. They were then offered refreshing lemonade and watermelon. It was a very refreshing and rejuvenating experience for them.

Dancing Feet

Dance with your HEART and your FEET will follow.

Students of Class II-B conducted a special assembly on 26th April based on the theme 'Let's Beat the Summer Heat with the Dancing Feet'. A beautiful thought on 'Dance' was shared and explained to the students. Students gave a mesmerizing dance performance with the help of props based on the theme which was followed by sharing of summer safety tips by the students through use of flash cards.

World Earth Day

'In Nature, Nothing exists alone.' -Rachel Carson

Our planet Earth is blessed with millions of species of plants and animals. All living things have an intrinsic value and each plays a unique role in the complex web of life. To make everyone aware about conservation and protection of our planet Earth, an assembly was organised on the 'World Earth Day' by the students of Class V-B. The assembly commenced with the introduction of the 'World Earth Day' followed by the prayer, school pledge, thought and news. Then the students were made aware of some irrevocable threats to animal species along with a poem. A beautiful dance performance was presented by the girls of Class V-B followed by the distribution of medals and certificates to the winners of ABHO, SKGKO, IRAO and ISSO Olympiads.

State Chess Championship-2019

DPSG takes immense pride in announcing the stupendous achievement of Mehar Chaudhary a student of Class III-A who was declared as the first runner up at Ahmedabad District U-9 Selection for State Chess Championship-2019 at an event held on **31st March** in Ahmedabad organised by Gujarat State Chess Association (GSCA). She will also be representing Ahmedabad district in the upcoming 'State Chess Championship-2019' to be held in June 2019. She is the proud recipient of Centre of Excellence Scholarship from the Government of Gujarat.

Kushal Bhosale - IV-7

MaRRS International Spelling Bee

Kushal Bhosale, a student of Class IV-A secured the third rank at the International Championship, 2017-18 of the MaRRS International Spelling Bee in category II held on 28th April at GCC International School, Thane, Maharashtra. He was felicitated in the morning assembly by Headmaster of Primary Wing, Mr. Rakesh Kumar Bhagat held in school on **29th April**.

Guinness Book of Record Event

Dhwani Shah, a student of Class IV-D and Vansh Patel of Class V-C got participation certificates for taking part in the Guinness Book of Record event of making the largest human image of an abacus. This was conducted by UCMAS India in Gujarat on 2nd September 2018. These star students were felicitated in the morning assembly on **15th April**.

Truth Alone Triumphs

'Truth will rise above falsehood as oil above water'. - Miguel de Cervantes

To inculcate good moral values in the students and make them realise the importance of 'truth' in life an assembly was organised on **29th April** by the students of Class V-C. The assembly commenced with a prayer song followed by the pledge, thought of the day and news. Then the students were acquainted with some important facts about Gujarat. There was a small pep talk on 'Truth' followed by a skit highlighting the importance of the truthful people. The students were further enlightened by the speech on truthfulness. The assembly further continued with the certificate distribution of Art and Craft Competition and Science Exhibition.

SECONDARY WING

Beginning of New Session

“School bells are ringing loud and clear; vacation’s over, school is here” –Winifred C. Marshal

The beginning of a new session is always a time filled with excitement and exhilaration. It is the time for new hopes and renewed dreams. After the examination fever, it's the time to enter the school with new energy and fresh new vibes. On **April 11, 2019** the first morning assembly of DPSG for the session 2019-20 commenced with prayer where both students and teachers together prayed to God for a successful year ahead. Prayer was further followed by pledge. The assembly was addressed by the principal Mr. Atanu Rath and he congratulated the students on graduating to higher classes and guided and motivated them to follow the rules and ethics of the school and do excel in all walks of their life. He also congratulated the best performers of the session **Sreshtha Lahiri** of VIII-F and **Tarishi Parmar** of IX-G who has set a benchmark for other students by scoring **99.12% and 99.2%** respectively. These erudite scholars shared their success mantra with all the students so that they can also perform brilliantly not only in academics but in all walks of life.

The students ensured that they will be more active in terms of academics & co curricular activities. Assembly concluded with national anthem and a commitment to make the session 2019-20 more productive and fruitful by working hard and staying focused.

World Heritage Day

“It is not the honour that you take with you, but the Heritage you leave behind.”

The World Heritage Day was celebrated on **16th April**. Harsh Agarwal and Shweta Bhattacharya highlighted the importance of observance of this day around the world in the comparing speech. Ayushi Jha, Prakruti Rajdeep and Shrileee Shah enacted a pep talk informing the students about ‘Ahmedabad, the Heritage city’. Tirtha Pandey gave a speech on ‘How to conserve and maintain the monuments’. Viha Vyas made the students to take pledge in order to protect the monuments.

Transition New Beginning

“Imagination is the beginning of creation. Life is like riding a bicycle, to keep your balance, you must keep moving.”

If something starts on a good note it ends happily, the assembly on **16th April** commenced with this note as the theme was ‘Transition New Beginning’. The students of Class VI were going to begin their journey from Primary to Secondary. The day started with the Morning Prayer followed by Pledge. ‘Word of the Day’ was given by one of the student to augment everyone’s vocabulary. A group of students sang our school’s song to show their love towards DPSG Family. Some students shared their wonderful experiences of transition of new beginning from Class V to VI.

Felicitation of Olympiads

13th CTSE National Level Test, International Olympiad of Mathematics Silver zone, International Olympiad of Science, International Social Science Olympiad, International Olympiad of Mathematics, International Olympiad of English language (IOEL-19), Silver Zone Level 1 and Silver zone International French Language Olympiad were conducted in the school during the session 2018-19. The winners were felicitated with the Trophy and a Certificate in the assembly which was held on 16th April.

English Concatenation Array

“We need creativity in order to break free from the temporary structures that have been set up by a particular sequence of experience.”

An Inter Class English Concatenation Array Competition group activity was conducted on 20th April in the class room for all the sections of Class VI. Students took part enthusiastically, showed their creativity by presenting the story on chart paper and narrated the story in their own words. The idea behind holding the competition in the class room in groups, instead of individual, was to motivate them to work in groups with their classmates in their own class room to promote the value of team spirit.

- * Each section was divided into six groups comprising of six to eight students. Ten strips of the story were given to each group.
- * The groups were asked to arrange the strips into correct sequence and paste those strips on a chart paper. A suitable title to be given to the story and the story would be well presented on the chart.
- * One member of the group narrated the story with proper intonation and voice modulation.
- * On the basis of Coherence (Correct Sequence), Voice Modulation, Presentation and Pronunciation criteria, one best group from each section was awarded.

Science Spectacular

To enhance the knowledge about Indian Noble Laureates, Science department organised an Inter-House Competition 'Science Spectacular' for class IX was held on **20th April**. Four students of each house were selected. Out of them two students displayed slides on contribution of various Noble Laureates and other two demonstrated a scientific phenomenon. The competition was an enriching experience for all the students.

Making of 3 – D Flip Book

“The essence of mathematics lies in its freedom.”

An interclass activity 'Making of 3 – D Flip Book' was organised by Mathematics Department for class VIII on **20th April** to enhance the creativity and instil the learning of mathematical concepts on the topic 'Mensuration'. Criteria of evaluation were relevance to the topic, presentation and creativity. Students enthusiastically showcased their creativity and learning. It was a good learning experience for the students.

CSR Event

BREAST CANCER AWARENESS

DPSG always takes initiative on creating awareness about health and hygiene not only for students but also amongst the staff members. The CSR team under the guidance of our principal sir Mr. Atanu Rath invited a well-known Consultant Breast Surgeon Dr. Anagha Zope who works with Apollo CBCC Cancer Care Unit. Dr Zope conducted a very informative session on Breast Cancer Awareness on **27th April**. She focussed on various myths, symptoms and stages of breast cancer. She also showed how to perform breast self-examination, preventive measures and diagnostic tests available. She highlighted about how healthy eating and regular physical activity play a substantial role in preventing cancer. She even advised the female staff to go for regular health check-up after the age of 40. The colour code of the event was pink, which is the international colour for Breast Cancer Awareness. After the illuminating session teachers took part in an interaction and cleared their misconceptions regarding Breast Cancer.
