

DELHI PUBLIC SCHOOL, GANDHINAGAR

Academic session 2019-20

Event Report

Title: Workshop on 'Cyber Crime'	Date: 3 rd October, 2019
Venue: Karnavati University, Gandhinagar	Class: 9th

*"There's no silver bullet solution with cyber security, a layered defence is the only viable defence."
James Scott*

Karnavati University, Gandhinagar organised a workshop on the topic 'Cyber Crime' as a part of their Student Development Program on 3rd October, 2019 for the students of DPS Gandhinagar. Around 185 students from Std 9 and 8 faculty members attended the workshop to understand about the possible threats of e-frauds, hacking, cyber bullying, stalking, trolling etc. The session was very interactive and the students were told about uses and misuses of Facebook, Instagram, Snapchat, e-mail ids, messages, downloads etc. It was an eye opener for the students as in their own innocence and unawareness they may land in trouble but their alertness can be their own protection. The students were taken across the campus to introduce them to the various departments such as UID, UWSB, UWSL, USLM and KSD etc.

The host university was extremely cordial and session was enriching for students.
