*'Pure Mathematics is, in its way, the poetry of logical ideas.'*-Albert Einstein

An assembly was organised by the students of standard IV-D, under the guidance of their class teacher Ms. Babita Shukla on 13 August 2019.

**The details of the assembly are listed below:**

- **Theme:** Magic of Numbers in Life
- **Objective:** To help the students understand the importance of Maths in their life.
- **Flow of the assembly:** Anchoring, Prayer, Pledge, Thought, News, Birthday Celebration, Skit on Magic of Numbers in life which included two magical puzzles and National Anthem.
- **Assembly Proceedings:** The assembly commenced with a prayer followed by the school pledge. A beautiful thought on the significance of Mathematics was shared with the students. The assembly reinforced the importance of numbers in our daily lives and use of Mathematics at home, school and work place. Students of Std.IV-D depicted the magic of numbers through a skit, by demonstrating two interesting Mathematical puzzles based on the four main Mathematical operations: Addition, Subtraction, Multiplication and Division. All the students enjoyed the puzzle on numbers. The skit was highly interactive and also involved the audience including teachers and other students. The Headmaster of Primary Wing, Mr.Rakesh Kumar Bhagat addressed the students. He appreciated the efforts of students of standard IV-D for conducting a well organised assembly. The assembly concluded with the National Anthem.

A few glimpses of the assembly are captured in the following pictures:
