Birthday is a reason to celebrate! It is the most memorable and important day of any child's life as it involves fun and recreational activities. It also gives everyone an opportunity to thank God and their parents.

The class teachers specifically designed the guidelines for this activity which helped the students to express themselves and taught them to prepare a personalized cards for their classmates.

Keeping in line with the spirit and essence of this birthday card making activity, **Delhi Public School, Gandhinagar** organised a **birthday card making activity** under the name of '**Hands on Art**' on **10th April 2018** .

The purpose of the activity was **to provide a platform for all the students of standard - II to explore their creative side and spread their wings of imagination.**

Almost every student participated in this activity with full enthusiasm. They successfully completed it under the guidance of their respective class teachers. The activity was fun for the students. This activity helped the students to understand the importance of expressing emotions of love and happiness and developed a positive attitude among them.

The glimpses of this activity can be seen in the following pictures:
