“Ask not what your country can do for you. Ask what you can do for your country.”

The struggle for independence is an important milestone in our country's history. It not only brought us freedom but also gave our countrymen a great sense of pride. To commemorate the freedom fighters a special morning assembly was conducted by the students of VI standard on 06th August, 19. The assembly aimed at recalling the unbroken spirit and determination of some of the greatest leaders who led our nation to independence, to ignite an admiration amongst our students.

The assembly began with the prayer as it is a link which connects us with the almighty, followed by pledge to make us aware about our duties towards our nation. A meaningful thought was presented. Then 'Word of the Day' was spoken by one of the student to augment everyone's vocabulary.

Freedom fighters were those great personalities who sacrificed their life for the sake of country's freedom. We cannot just imagine the amount of pain, hardship, risk and opposition they must have gone through. A group of students depicted the glimpses of our freedom fighters with few lines on their contribution.

The assembly was concluded, igniting the feeling of patriotism among all, by singing the National Anthem with pride.
