Title: How to become a favourite Teacher	Date: 29-March-19
Venue: Old Computer Lab., DPS, Gandhinagar	Class: Teachers' Workshop

'A Teacher affects eternity; no one can tell where his influence stops'

-Henry Adams"

About the Event

Education forms the foundation of any society. Schools play an important role in moulding a nation's future. The school helps a student learn in a systematic way through enhancement of skills and knowledge. The role played by a school teacher in the life of a student is extremely vital. The teacher helps shape the life of a student. The Primary Wing of Delhi Public School, Gandhinagar conducted a workshop titled 'How to become a favourite Teacher' on 29-March, 2019. The workshop was conducted by Ms.Rupa and Ms.Smriti of the Primary Wing for their fellow co-teachers.

Objective of the Event

- To identify qualities and attributes of an ideal teacher.
- To understand and appreciate the role a teacher plays in the development of a student.
- To motivate and guide students to not only achieve academic excellence but also become responsible citizens and good human beings

The Event & Participation

A teacher has to be sensitive to the needs of a student. In a class there will always be students with differing abilities. A good teacher is one who is able to get the best out of each student. The endeavour of all teachers' should be to emerge as a favourite teacher to each of their students. The workshop conducted was based on this theme and provided a fantastic learning opportunity for all participating teachers to further develop their skill sets. This would help them to motivate and guide their students to not only achieve academic excellence but also become responsible citizens and good human beings. Importance of teaching profession, challenges of classroom teaching and how to overcome those challenges were discussed in length. The workshop was informative, focused and highly interactive. The session was conducted by using various learning tools such as power point presentations, videos, group activities etc. There was also an interactive question and answer session which was followed by listing out constructive suggestions which emerged out of the discussions amongst the teachers. All the teachers who participated in the workshop gave an excellent feedback of the interactions. The participants also appreciated the efforts put in by the resource persons involved. DPSG team looks forward to conduct more such workshops in future.
