Venue:Pre Nursery classroom	Class: Pre-Nursery

### “Health is Wealth.”

Food is the one of the greatest pleasure of life. Keeping this in mind “Healthy Snacks Day” was celebrated for the tiny tots of Pre Nursery on 11<sup>th</sup> February 2019. The day was celebrated to make them understand that a balanced diet is both yummy and good for them. Parents took great efforts and send healthy delicious snacks in their ward tiffin. Children shared their tiffin with their peers and enjoyed the day. Teacher explained them about healthy food. They also did colouring in a worksheet on the topic “My Healthy Plate”. Flipper of “I am always in the mood to eat healthy food!” was given to motivate them. Overall the day was full of fun with healthy talks on healthy food.
