Academic session 2018-19

Event Report

Title: Discover one's potential as a teacher	Date: 26 March 2019
Venue: Old Computer Lab., DPS, Gandhinagar	Class: Teacher's Workshop

Continuous efforts – not strength or intelligence is the key to unlock our potential.

About the Event

Delhi Public School Gandhinagar organised a workshop for the teachers of Primary Wing on 26 March 2019. The workshop was conducted by Ms. Geeta Bohra, Ms. Kiran Maherkar and Ms. Mausmi Gupta on the topic 'Discover one's Potential as a Teacher'. The workshop aimed at helping the teachers to discover their potential by making them understand that the teacher of modern day has to play the role of a facilitator, nurturer and mentor.

Objective of the Event

- To encourage students to interact positively with each other.
- To understand the role of a teacher in motivating the students.
- To set the academic goals high but attainable for the students.
- To learn about the effective ways of teaching methodology.

The Event & Participation

The workshop was conducted with the aim to discuss the role of a teacher in student's life. Motivational techniques were discussed at length. It was emphasised in the workshop that learning should be a continuous process for the students as well as the teachers. The teachers were asked to encourage their students and teach them sense of responsibility. Various activities were discussed with the teachers which can facilitate students' involvement during classroom teaching-learning process. The workshop also laid emphasis on the framework of the curriculum which should aim at grabbing the attention of the students. The session was conducted by using various learning tools such as power point presentations, videos, group activities etc. The workshop concluded with a feedback session by the teachers. All the teachers who participated in the workshop gave an excellent feedback of the interactions. The participants also appreciated the efforts put in by the resource persons involved. DPSG team looks forward to conduct more such workshops in future.
