<b>Title: THANKS GIVING DAY</b>	<b>Date:14/07/2021</b>
<b>Venue: Online Virtual Classroom</b>	<b>Class: U.K.G. all sections</b>

**“Showing Gratitude is one of the simplest, yet the most powerful things humans can do for each other”**

Keeping this thought in mind, Delhi Public School Gandhinagar had organised **“Thanks Giving Day”** on 14.7.21 for the students of class U.K.G.

During the celebration children made a thank you card for the community helpers and later they gave it to their favourite helper as well. To make it easier for the helpers to read the card, children decorated the card with the word “धन्यवाद” in it instead of “Thank You”. As children gave the card to their favourite community helper, it brought a bright smile on their faces which taught them the power of giving happiness to others by just showing gratitude towards them. The day of celebration ended with a charming smile on students and helpers faces.
