<b>Title: Blue Day Celebration</b>	<b>Date:11.09.18</b>
<b>Venue: Pre Nursery Classroom</b>	<b>Class: Pre-Nursery</b>

Students of Pre-Nursery of Delhi Public School Gandhinagar celebrated Blue Day on 11<sup>th</sup> September'18. It was a pleasant and a cool blue day for the tiny tots. The significance of blue colour was reiterated through a series of activities. The dress code of the day was blue. Excitement and enthusiasm was visible everywhere. All the children came dressed up in different shades and hues of blue. The classroom was decorated with different blue objects and children were introduced to different shades of blue.

Blue- the colour of loyalty, strength, trust and wisdom had a very positive impact on tiny tots bringing in harmony and brotherhood.

Clad in blue dresses, students were made to recognise blue colour through different games and play way activities. The little ones made blue whale with palm print and did sorting of blue objects.

Blue day was an amazing learning experience which had a long lasting effect on each student. Early identification of colours helped to create the cognitive link between visual clues and words which is an important part of a child's development.

It was indeed a visual treat to see the good effects of blue colour on our little ones.
