Academic session 2019-20

Event Report

Title: Importance of Mathematics in our daily life	Date: 03/08/19
Venue: Delhi Public School Gandhinagar	Class: VII

“Mathematics is not about numbers, equations, computations, or algorithms, it’s all about understanding.”

Mathematics finds its uses in our day to day life, some of which we are not even aware of like determining our vehicle speed, making recipes, playing games, using computers, mobile phones and GPS for finding location. To make the students aware of the fact that Mathematics is all around us and applied either directly or indirectly in our life, DPS Gandhinagar organised an Inter-House Skit Competition on the topic “Importance of Mathematics in our daily life” on 3rd August 2019.

Students of class 7 enthusiastically took the opportunity to enact on the topic through mesmerising performances. Students showcased their mathematical ability by connecting the characters to the real world panorama and made us realise that Mathematics is really an inevitable part of our life and has become a problem solver in every walk of life.

Evaluation Criteria for the Skit were:

- 1. Relevance to the topic**
- 2. Co-ordination**
- 3. Use of props**
- 4. Overall performance.**
