

# DELHI PUBLIC SCHOOL, GANDHINAGAR

Academic session 2021-22

## Activity Report

Title: GO GREEN ACTIVITY	Date: 2 to 5 July 2021
Venue: Online Activity	Class: III (A to H)

### About the Activity

**“Environment is no one’s property to destroy, it’s everyone’s responsibility to protect”.** For saving the Nature, recycling of waste materials is one of the best ways. To make the students understand about the recycling of Bio Degradable and Non Bio Degradable waste Delhi Public School Gandhinagar’s EVS Department Primary Wing conducted a very interesting, fruitful and an engaging Online Go Green Activity for Class III students.

### Objective

- To make students aware of how to dispose plastic waste in an eco friendly way.
- To teach them some ways through which they can join and participate in protecting the environment.

### The Activity & Participation

Along with studies there are various subject related activities done during online classes to explain the students how they can play a pivotal role to save the Environment and Mother Earth. Imbibing this spirit Delhi Public School Gandhinagar organized an activity for Class III students to make them aware how each one needs to do his / her best for a greener tomorrow. EVS Department of Primary Wing took two environmentally friendly actions and the theme was ‘GO GREEN’. Students were assigned to make **ecobricks** and **compost pit** by using different waste materials available at home. The students learnt some new ways of recycling various kinds of degradable and non- degradable waste. The students thoroughly enjoyed the activity.

Let's have a glance of the splendid work showcased by the students:
