Title: Photography Workshop	Date: 4th Oct. 2019
Venue: Karnavati University	Class: 10-12

"The picture that you took with your camera is the imagination you want to create with reality."

— Scott Lorenzo

Karnavati University, Gandhinagar organised a workshop on the topic 'Basics of Photography' as a part of their Student Development Program on 4th October, 2019. Around 36 students from Std 10 to 12 and 2 faculty members, who were photography enthusiasts attended the workshop to understand the basics of light and how the eye fixes lighting. The students also got an insight on how to get a camera to catch what the eye sees and thereby getting better pictures. They were also taught technical details to enhance photographic skills. The students learnt better handling of the camera, shutter speed, aperture, fps, white balance and other aspects of the camera.

The host university was extremely cordial and were very welcoming to the students and teachers.
