

DELHI PUBLIC SCHOOL, GANDHINAGAR

Academic session 2021-22

Event Report

Title: Cyber Wizard	Date: 9/4/2021
Venue: Delhi Public School (Online Mode)	Class: X

The Computer Department of DPS Gandhinagar, organized Cyber Wizard Competition for Class X under CCA for the month of April. The students were required to create a Video on the topic “Cyber safety” and had to submit it within the given time period. In today’s online mode of education, this method of teaching-learning is of great importance for all.

Students showed their creativity at their level best. They did in-depth research on the topic and provided a lot of information on how to be ‘Cyber-protected’. As we are currently dependent upon the virtual platform for almost all our tasks, it has indeed become imperative to keep ourselves safe from online fraud and theft.

Results of the event are as follows:
