Academic session 2018-19

Event Report

Title: Animal Welfare Day	Date:04/10/18
Venue: Pre Nursery classroom and AV Room	Class: Pre-Nursery

World Animal Welfare Day was celebrated on 4th October 2018 where Pre Nursery children of Delhi Public School Gandhinagar transformed their classroom into a little animal kingdom. The tiny tots walked around the school premise with the slogans based on animals and messages to save animals. To make children empathetic towards animals, short related videos were shown and colouring activity was planned. There was lots of fun and excitement among children while celebrating animal life in all its forms and being thankful for the way in which animals enrich our lives. It is a great way to make children know more about different animals and developing a sense of responsibility and compassion towards animals.
