**“Colours are the source of joy and happiness for everyone.”**

To explore and encourage the creativity with vibrant colours Delhi Public School Gandhinagar organized **“COLOURING EVENT”** for the tiny tots of NURSERY on 17<sup>th</sup> January'22. Colouring worksheets were shared with the children to develop their finer motor skill, to increase their hand eye coordination along with concentration.

This fun filled activity witnessed an enthusiastic participation of all the students on the zoom screen. It inspired children to think and work creatively and promoted their artistic excellence. The little artists participated virtually in the event with great zeal and showed their talent with their creativity as well as a sense of colours. It certainly added a new innings to their colourful childhood memories.

It was an enjoyable and colourful event for them.
