Academic session 2019-20
Holiday Homework (Nursery)

Enjoying the summer vacation is the best time for the children so just learn good values in this summer and make it memorable:-

- 1. Explore outside:-**Being outside in nature is important for all children, fresh air, exercise and observation of the natural world are synonymous with childhood. See what your kids can discover about the area around your house and about themselves.
- 2. Go Stargazing:-** Summer is the perfect time to go stargazing. It isn't too cold at night and a family snuggle on a blanket looking up at night sky is an enjoyable way to learn together.
- 3. Play in sand:-**Sure, It's messy, there's something about digging and piling and making trenches that is just fun.
- 4. Make forts:-**No matter your age, making and playing in fort made out of pillows, blankets and couch cushions with your kids is a lot of fun.
- 5. Plan an impromptu weekend picnic:-**Spending good time with children will help them to connect and communicate better with the outer world.
- 6. Develop good habit:-**To develop the good habits teach kids to keep their things at right places and keep your surrounding neat and tidy.
- 7. Spend the quality time:-**"Family time is the best time of the world" enjoy it with indoor games, Narrate the story instead of gadget.
- 8. Reduce global warming:-**To reduce the global warming plant the trees with your family members and water them every morning and see them growing and blooming.
- 9. Participating in volunteer work:-**Involve your child into several volunteer works based on their age. It can be a cleanliness drive, spending a day at an orphan or an old age home. It is the best age to teach them empathy and compassion.
- 10. Watch educational movies.**

DELHI PUBLIC SCHOOL – GANDHINAGAR
L K.G HOLIDAY HOMEWORK (2019 -20)

Holidays are all about sweet memories. Capture these moments and let your ward share the same with their peers.

- ❖ Let's do some reading: Grandparents/Parents to read a simple story or rhyme.

- ❖ Help mummy to clean up your cupboards. Donate your old clothes, story books or toys to needy children and experience how you can bring a smile on someone's face.

- ❖ Plant a tree and take care of it.
- ❖ Thrice a week do yoga and exercises.

- ❖ To develop good habits learn to keep your things in the right places and also help keep your surroundings clean and tidy.
- ❖ Try a new recipe in cooking without fire with your mom.
- ❖ Take an outline image of cake and birthday cap on A-4 size paper and fill them with your favourite colour.

Click photographs of any 2 above mentioned activities and send it along with the colouring sheets when the school re-opens.

Give your ward regular practice of all concepts taught in class to help keep in touch with academics and to enable them to do well in assignments.

*Happy
Holidays*
