The Event and participation

'May the people walking in darkness see the dawn of a glorious light.' With this motive a Candle Decoration activity was held on November 2, 2018 for grade 1 students in Delhi Public School Gandhinagar. In this event with the assistance of teachers, students used their creativity and imagination to come up with decorative designs of candles on greeting cards using different decorative items such as sparkles, mirrors, sequences, etc. All the children enthusiastically participated in this activity and amazed us by showing their creativity. The activity was organized in the respective classrooms to ensure a familiar and comfortable environment. The competition was supervised by respective class teachers. It was the children's zeal and vigor that motivates them to merge themselves in this light and enjoy before Diwali vacation.
