“Stories can conquer fear, you know. They can make the heart bigger”. - BEN ORKI

About the event

The Primary Wing of Delhi Public School, Gandhinagar organised a few comprehensive library activities for the students of standards III and IV from 3 to 5 February 2020 in order to inculcate the habit of reading and interest towards books. It is rightly said books open the door to our imagination and allow us to observe our surroundings with a totally different perspective.

Objective of the Event

- To inculcate interest amongst the students towards reading so as to enhance their general awareness and help make books their best friend.
- Learning from the real experience of others to help young people grow into successful and responsible future citizens.
- To enable students to attain knowledge and enhance their social and moral values.
- To enhance their reading skills.
- To increase group participation and interaction among the students.

Event and Participation

The students of class III and IV were involved in different activities.

Group activity for class III was conducted in which the students made their own story with illustration and narrated it in the class.

Another interesting group activity for class IV was conducted in which they prepared their own Mini Picture story book and named it as Flip Book. Later these Flip Books were given to class I and II students for reading and they loved it. All the activities were enjoyed by all the students.
