Title: Field Trip to farms behind the school campus	Date: 01/02/19
Venue: Farms behind DPSG campus	Class: Std.-V (All sections)

'It has been said that 80% of what people learn is visual' -Allen Klein

About the Event

The Primary Wing of Delhi Public School, Gandhinagar organised a field trip for the students of Std.-V to farms behind the school campus on 1 February, 2019.

Objective of the Event

- To provide practical exposure to go along with classroom learning for students.
- To provide an opportunity to students to learn about various farming practices and understand in detail how crops are grown.
- To help students better appreciate the challenges of farming and caring for crops.

The Event and Participation

All the students of Std.-V actively participated in the field trip to the nearby farms of DPS, Gandhinagar. The field trip provided greater understanding to students on how farms are managed and crops grown. It was an ideal way to connect city students with life in rural areas. The practical exposure enabled students to better understand their chapter on farming. Each and every student actively participated in the field trip. It was a day well spent for all close to nature.
