DELHI PUBLIC SCHOOL, GANDHINAGAR
Academic session 2018-19
Event Report

Title: Assembly on Cyber-Safety	Date: 19.11.19
Venue: Delhi Public School Gandhinagar	Class: XI C

Spyware is a Nightmare, Show You Care, Be Aware

Students' access to technology and the internet is an essential part of today's learning, and to create awareness among students about the potential dangers of using the internet and the importance of not sharing personal information, Delhi Public School Gandhinagar organised a special assembly on "Cyber-Safety: Need of the Hour." The assembly was conducted by Avni Rajput and Ishita Pandit; Vedant Patel took up the prayer which was followed by pledge by Dhwani Rudani of class XI- C respectively.

The main attraction of the assembly today was the PEP Talk on Cyber-Safety. A panel of four students Shrey Patel, Maduksha Gupta, Mehvish Ahmedi, Sakshi Purohit of class XI- C presented an informative and explanatory discussion on cyber safety and cyber bullying in a very interesting way. This panel of PEP Presenters discussed almost every aspect like Role of Parents in monitoring, Parental Locks for some sites, having proper Anti-Virus and security settings and many more tips on cyber safety. Students were encouraged to report any negative issues they may encounter online to a trusted adult. They were made aware of the relevant legislation when using the internet such as data protection and intellectual property which may limit what they want to do but also serves to protect them. They were also briefed about copyright, respecting other people's information, safe use of images and other important areas through this discussion. The assembly also focused on other aspects of e-safety, like cyber bullying and the other possible consequences of inappropriate internet use. Students were also informed how to report cyber bullying.

Our Anti-Bullying Ambassadors of PEP Talk made the whole assembly aware about safety and stranger danger if they choose to communicate with someone online. The assembly concluded with the message that as long as children use the internet safely it is a fantastic way to learn and have fun so think before you click! Last but not the least assembly concluded with a sense of awareness about how to use internet wisely followed by national anthem.

List of the Participants:

Sr.No.	Name	Class	Activity
1.	Avni Rajput	XI C	Anchor
2.	Ishita Pandit	XI C	Anchor
