

**DELHI PUBLIC SCHOOL, GANDHINAGAR**  
**Academic session 2018-19**  
**Event Report**

Title: CSR Activity NGO Stalls	Date: 22 <sup>nd</sup> & 23 <sup>rd</sup> March 2019
Venue: Atrium Primary Wing	Class: III to VI

**About the Event**

Ahmedabad is powered by numerous dedicated NGO's successfully working for the betterment of our society by promoting women empowerment.

These NGO's are busy developing the self - esteem and skills of the women and girls who have been deprived of good education and know little apart from the household chores that they are required to do on a daily basis.

The CSR team of Delhi Public School Gandhinagar met few NGO's of Ahmedabad and expressed its feeling towards women empowerment with providing a platform to showcase their handmade products in the school premises on 22<sup>nd</sup> and 23<sup>rd</sup> March '19. The handmade jewellery, soap, wall hangings and bags were the hot cake of the sale. Mouth-watering homemade delectable appetizers were also in demand.

The Parents of class III, IV, V and VI who came to attend the Open House of their wards purchased products from them and contributed in bringing a smile on their faces in grief. Active contribution from the staff members was seen.

**Objective of the Event**

- To promote gender equality and empower women.
- To provide a sense of fulfilment among those who are cut off from the main stream of the society

Delhi Public School Gandhinagar pays gratitude to the parents who have always contributed for these kinds of events and made it successful.
