Title: My Favourite Story Character Activity	Date: 06th July 2021
Venue: Online (Virtual)	Class: I (A to G)

“The greatest Architecture is building Character”

About the Event

Incorporating Character Illustration Activity into the classroom adds variety, a change of pace and opportunities for a lot of language production. It is often used as a medium to ingrain values, improving skills and opening minds of children to worlds beyond imagination. We believe that illustration aids reading comprehension in diverse ways. To open up the vivid imaginations that runs wild in child, Delhi Public School Gandhinagar organized “MY FAVOURITE STORY CHARACTER ACTIVITY” for the students of Std-I through an online mode on 6th July 2021.

Objective of the Event

- To express themselves in a more forthright way.
- To explore character building using appearance, character traits and feelings in a more explicit manner.
- To develop comprehension skills.
- To brainstorm words students can use to describe each character.

The Event and participation

Educating the students to understand how they can describe a character is important to help them to get a greater understanding of how authors create and build up a character. The Character Illustration Activity gives them a sense of ownership over their understanding and it is fantastic scaffolding for their developing comprehension skills. The essence of this activity is to develop the holistic learning, accelerates personality development and imparts students with crucial life skills in the form of problem-solving, leadership, cooperation and collaboration. The tiny-tots were armed with several props for their amazing stories. They illustrated characters of Ginger bread man, Cinderella, Thumbelina, fairies, animals, nature etc. Some stories provided food for thought, some reinforced moral values and some were humorous. The expression, confidence, diction and presentation skills of the children were applauded and appreciated by all. The event was indeed valuable and distinct. Overall this activity helped the young souls for creative thinking.
