Event Report

Title: World of Imagination	Date: 07/12/18
Venue: Respected classes	Class: Nursery

Each and every child has their own world of imagination. To enhance the imagination of children Delhi Public School Gandhinagar organised a “World of Imagination” for Nursery students on 7th December 2018. Each child was given a paper and pencil.

Through drawing, children expressed the imagination skill on paper and they shared their views about their pictures.

This activity helped our toddlers to show their creativity and drawing skills to everyone.
