| Title: Visit to Western India Institute of Aeronautics PVT. LTD. | Date: 7 July 2018 |
| Venue: Western India Institute of Aeronautics PVT.LTD. | Class: VII |

‘Your wings already exist, All you have to do is fly.’

Educational visit offers an opportunity for a rich immersion experience and tremendous way to facilitate learning.

Class VII students visited the Western India Institute of Aeronautics PVT.LTD., Thaltej – Shilaj, Ahmedabad on 7th July 2018. An introductory Session was arranged through power-point presentation to describe the importance of the Aviation Industry. There the children were briefed about the special features of the institution .They were also informed about the various career prospects that they can choose in the Aviation industry in future. Aircraft Maintenance Engineering, Cabin crew with hospitality management. With a Career as a flight attendant, new horizons open up, possibilities become limitless and future soars. These careers allow you to be all you can be, exploring and fulfilling your potential to rise above the ordinary. The students had a visit at their Aviation Workshop where they saw Lear Jet-24 Aircraft, Zenith-2000 and different types of Engine, Airframe, Air Component and Equipments.

‘To most people, the sky is the limit,

To those who love aviation the sky is home.’

Children had a view inside the Boeing 737-200 Aircraft. They were very happy and excited to see it. They had a lot of queries which were answered by the instructors. The journey ended on a happy note .When the children reached the school campus and took with them sweet and merry memories.

‘Aeronautics was neither an industry nor a science. It was a miracle.’
