

**DELHI PUBLIC SCHOOL
GANDHINAGAR**

ACADEMIC SESSION : 2018-19

A REPORT ON 'LET'S SHARE HAPPINESS'

(STD -1)

Date: 10th April, 2018

As it is rightly said, 'Every human on Earth has been given a chance to fulfill their own unique mission.' A birthday is an important and momentous occasion not to be understated especially in case of children.

Keeping in line with this thought **Delhi Public School, Gandhinagar** organized an activity '**Let's share happiness**' for the students of **Std. I** on **10th April, 2018**. Through this activity the students of std. I shared their happiness with each other by creating and making their own birthday cards. This activity also gave them an opportunity to explore their world of imagination.

In order to explore the creative side of each and every child, they were provided with the square shaped cut-outs. The basic guidelines related to the activity were given to all the students by their respective class teachers. The students decorated the cut-outs with the decorative materials and colours.

All the students successfully completed this activity with great enthusiasm under the guidance of their respective class teachers. The activity helped them to express their emotions and taught them the essence of birthday in life.

The glimpses of the above mentioned activity has been captured in the following pictures:
