

DELHI PUBLIC SCHOOL – GANDHINAGAR

ACADEMIC SESSION: 2018 – 19

Warm greetings to the Parents,

Education and competition are two universal ingredients of human culture. These ingredients have always been important issues, both in the past and in the present. Emphasis on competitions has never been as strong as it is now, in the present day fiercely competitive world. Hence to provide our students with the cutting edge, DPS-Gandhinagar has been conducting a series of Olympiads and varied External Examinations. Continuing with this practice we are glad to enumerate the schedule of aforesaid exams for the session 2018-19.

These highly challenging Olympiads/External Exams are conducted by various foundations and provide a platform wherein students can identify their own aptitude and improve it. They even get an opportunity to compete at state, national and international level thereby giving a tremendous boost to their confidence. Their analytical skills and conceptual understanding improves which helps them to grasp tricky concepts easily. Consequently, their school results also improve.

Parents may register their wards for any of the exams. We will be issuing the consent form/ circular on regular basis.

VENUE:

- **DPS- Gandhinagar will be the venue for the 1st level of all Olympiads.**
- **For other external examinations, the venue will be informed later.**
