Title: Blue Day	Date:04/09/20
Venue: OVC Class	Class: Nursery

Blue is the colour of the sky and sea. It is often associated with depth and stability. Blue symbolizes trust, loyalty, wisdom, confidence, intelligence and truth. In order to emphasize the importance of blue colour, Delhi Public School Gandhinagar organised "Blue Day" for the students of Nursery on 4<sup>th</sup> September, 2020. The OVC class was festooned with all blue coloured objects like blue berries, paper clouds, balloons etc. The day commenced with an array of blue coloured objects on the screen which provided them the opportunity to have a clear sense of the colour. The students of Nursery came dressed in different shades of blue which was a treat to look at. They carried their favourite blue coloured objects and spoke few sentences about them. In the art/craft activity, they learned to colour a fish using blue colour. Overall, it was a great learning experience. This virtual celebration will have an enduring effect on each student.

Teacher attached with them for the celebration were Ms Aparna Mishra and Ms Sharmista Parmar.
