“A good life is a collection of happy memories.”

About the Event

Delhi Public School, Gandhinagar organized an online activity called ‘Reminiscence of My Life’ for students of Class V from 6 to 9 July 2021. The purpose of conducting this activity was not only to blend learning with fun but also help the students to travel down the memory lane. It was an amazing individual activity for the children.

Objective of the Event

- To enable the students to compile their childhood milestones into a beautiful album.
- To create a unique memory book with brief note about each photograph.
- To learn preserve recorded things in unique manner.
- To enhance creative writing.

The Event and participation

Memories definitely play an important role in our lives, we can't live a harmonious and fulfilling life without the memories. It makes us remember the best times of our lives. We always treasure these memories in picture albums. An album making activity was conducted with Class 5 students to ingrain the values like togetherness, friendship, love for family and many more. Our students with their zestful spirit participated in this activity and used their wings of imagination to create beautiful albums which encapsulated their childhood memories. The efforts and hard work of the students were highly commendable. The activity proved to be a great learning experience for the students and gave them a platform to explore their hidden talents.
