<b>Title: HOUSEHOLD TOOLS &amp; EQUIPMENT DAY</b>	<b>Date: 18/1/2021</b>
<b>Venue: Online Virtual Classroom</b>	<b>Class: LKG</b>

In today's modern world, where everything is very fast and so are the household chores. We need a lot of tools & equipments to complete our daily household chores as fast as possible, which makes us realise their importance. To instill the same, Delhi Public School Gandhinagar, had organized an event "Household Tools & Equipment Day" on 18<sup>th</sup> January 2021 for the shining stars of L.K.G.

Children came dressed up as various household things such as gloves, dustpan, mop, milk cane, broom etc in OVC. Each one of them were given a chance to say few lines on what they have dressed for. All of them learned about many different items used by us in our day to day lives. Their happy faces showed us how much they learned and enjoyed the activity.
