DELHI PUBLIC SCHOOL, GANDHINAGAR
Academic session 2021-22
Event Report

Title: Cyber Wizard Competition	Date: 20-November-2021
Venue: Online	Class: IV [A-H]

'Cyber Wizard is the art of bringing the technology and art together by using MS-WORD software'

About the Event

The Primary Wing of Delhi Public School, Gandhinagar organised a Cyber Wizard competition for the students of Std. IV on 20 November 2021. A wizard is a piece of software that simplifies complicated tasks or instructs a user about how to complete a task. The students became Cyber Wizards and beautifully designed E-cards using digital media.

Objectives of the Event

- Using various computer software tools to enhance creativity in poster design.
- Develop artistic and technical computer skills by developing interest and knowledge.
- To benefit the students in their academic pursuits.

The Event & Participation

An e-card Making Competition was organized for the students of Class 4. The topics were 'Christmas' and 'Happy New Year'. The students participated keenly and made beautiful cards by the dint of their creativity. The competition aimed to explore and encourage creativity in children and give them a platform to showcase their skills. It was wonderful to watch the zealous students giving expression to their thoughts. Each of the cards made by the children was a treat to the eyes.

The students were evaluated on neatness, tools and shapes utilization and overall presentation. During the competition, all students participated enthusiastically. Teachers from the Computer Department judged the best entries.
