# Principal's Message

**"If one advances confidently in the direction of his dreams and endeavours to live the life he has imagined, he will meet with success unexpected in common."**

**- Henry David Thoreau**

The essential prerequisite to become successful is to develop an attitude that fosters learning at each and every step. The tenacity exhibited by our students has concocted the glorious journey of Delhi Public School Gandhinagar. Our young minds strive throughout the year to achieve success in the field of Academics, Co-curricular activities and 100% Attendance.

Every year we celebrate the accomplishments of our students in the annual event "PRERNA- Young Achievers Award Ceremony". This day marks both retrospective and a prophetic outlook, where we honour the students who have excelled in various fields as well as inspire others to reach out to their dreams.

On behalf of the entire DPS Gandhinagar fraternity, I extend my heartfelt best wishes to all the achievers who with their diligence and determination, were declared triumphant. I would also like to extend my gratitude to all the parents for their unconditional support and belief in our education system. It is the interlacing of cooperation, team work, confidence and credence that makes us stand apart from the rest.

We hope to keep this bond alive for all our future endeavours. God bless you all with lots of prosperity and happiness!
