<b>Title: Fruits and Veggies Day</b>	<b>Date:08/01/21</b>
<b>Venue: OVC Class</b>	<b>Class: Nursery</b>

The students of Nursery learnt about fruits and vegetables in a healthy way. With an objective to educate students about the various types of fruits and vegetables, Fruits and Veggies day was celebrated on 8th January, 2021 for the students of Nursery. Each child got dressed up as a fruit or vegetable of his/her choice. They spoke well about the importance and consumption of fruits and vegetables in their regular diet. They learned about the taste, smell, colour and texture of each fruit and vegetable, importance of washing fruits and vegetables before eating and cooking was also explained. They prepared delicious vegetable salads in the OVC class. All of us enjoyed the day to the fullest.
