Event Report

Title: Story Narration Session	Date:17.08.19
Venue: Resource Room	Class: UKG

DPS Gandhinagar is blessed with great parents who always give their best contribution for the betterment of children. We feel honoured to have Mr Shekhar Priyadarshi, who took initiative and arranged a “Story Narration Session” for children of UKG to enhance their listening and imagination skills. He narrated two stories named “Frozen Horse” and “The crocodile and his family” by using various props and drawings. He inculcated moral values like sharing, helping and caring among children through these stories. Children enjoyed a lot during stories, as Mr Shekhar was very jolly and friendly with kids.
