“ While providing education, our sole mission is to create a place where education translates into never-ending curiosity, zeal of learning & values of teamwork. ”

MESSAGE FROM **PRO-VICE CHAIRMAN**

It is our privilege, and a huge responsibility I must add, that we as educators and you as parents shoulder- that of educating the young minds and souls.

Perhaps the greatest of all pedagogical fallacies is the notion that a person learns only that particular thing he/she is studying at that time. Collateral learning is the formation of enduring attitudes, the ability to differentiate between good and evil may be and is often as important as the maths lesson that is learnt! For these attitudes are fundamentally what count in the future.

RAMESH GOENKA | Pro-Vice Chairman, DPS Gandhinagar

MESSAGE FROM **PRINCIPAL**

"Setting goals is the first step in turning the invisible into the visible- the foundation for all success in life." The parents as first teachers and the teachers as second parents therefore are engaged earnestly in the all-round development of the young population in Delhi Public School Gandhinagar. All the activities at the school therefore are designed to sensitise the students towards values, physical fitness, spiritual training and academics.
