“Where words fail, emoji’s speak”

Tiny tots of Pre-Nursery celebrated Emoji Day On 7th September'18. Kids were told about how emoji helps in expressing different feelings and emotions. Kids came to school with various emoji's with them. The class was decorated with emoji balloons and paper emoji's. Students played game by making expression as the teacher was giving command like happy, sad and surprised. They coloured a picture of emoji in their notebook. Emoji day was celebrated with a concept to explain the students that our facial expressions speak about our feelings so we should be expressive according to the situation and always be happy. Souvenir of emoji was given to each child as a token of appreciation and photographs were clicked for memory. Overall the day was full of fun and frolic.
