<b>Title: Orange Day</b>	<b>Date:08/10/18</b>
<b>Venue:Pre Nursery classroom</b>	<b>Class: Pre-Nursery</b>

**Colours are the smiles of the nature, so is the colour Orange. Orange is a dynamic colour that stimulates imagination and creativity. On 8 October 2018, Orange Day was celebrated at Delhi Public School Gandhinagar for Pre Nursery students with great zeal and zest. The classrooms were beautifully decorated with orange coloured objects, activities sheets and balloons. The children did many classroom activities using the colour orange as a theme and learnt interesting facts about it. Our little ones were dressed in shades of vibrant orange colour, shining bright. The Bloomings were asked to bring orange coloured objects . They brought many objects like orange ball, orange fruit, marigold flower, orange toys and many other orange coloured things. Students were given a thorough understanding of the colour orange through different activities, such as how to get this secondary colour by mixing two primary colours: red and yellow. The children did colouring in different drawings, fork printing as mane of lion and fist printing in pumpkin. Learning with activities is always so-much-fun.**
