

DELHI PUBLIC SCHOOL, GANDHINAGAR

Academic session 2018-19

Event Report

Title: Assembly on E-Safety	Date: 06.08.18
Venue: Delhi Public School Gandhinagar	Class: XI B & D

Be Aware! What You Share.

To create awareness among students about the potential dangers of using the internet and the importance of not sharing personal information, Delhi Public School Gandhinagar organised a special assembly on "E- Safety: Need of the Hour." It was a combined morning assembly of class XI- B & XI D. The conduction of the assembly was done by Aarushi Srivastava of class XI- B and Arya of class XI D took up the prayer which was followed by pledge by Dixit of class XI- D respectively.

The main attraction of the assembly today was the PEP Talk on E-Safety. A panel of four students Vanshitha, Nandini, Satvika and Vanshi of class XI- B presented an informative and explanatory discussion on cyber safety and cyber bullying in a very interesting way. This panel of PEP Presenters discussed almost every aspect like Role of Parents in monitoring, Parental Locks for some sites, having proper Anti-Virus and security settings and many more tips on cyber safety. Students were encouraged to report any negative issues they may encounter online to a trusted adult. The assembly also focused on other aspects of e-safety, like cyber bullying and the other possible consequences of inappropriate internet use. Students were also informed how to report cyber bullying. E-safety posters were displayed in the assembly at the end of the PEP talk.

Our Anti-Bullying Ambassadors of PEP Talk made the whole assembly aware about safety and stranger danger if they choose to communicate with someone online. The assembly concluded with the message that as long as children use the internet safely it is a fantastic way to learn and have fun so think before you click! Last but not the least assembly concluded with a sense of awareness about how to use internet wisely followed by national anthem.
