

DELHI PUBLIC SCHOOL, GANDHINAGAR

Academic session 2020- 21

Event Report

Title: Activities of September month	Date: 1/09/20–30/09/20
Venue: OVC Class	Class: Nursery

Activity is the best route to academic success. Students become more self-confident and learn new skills. Hence in the month of September various activities were conducted for the students of Nursery.

Activities like moulding clay into different shapes, newspaper collage, and kitchenette activity were conducted. The students of class Nursery of Delhi Public School Gandhinagar augmented their cooking inventiveness by making paneer cups. They all came prepared in the OVC class with the ingredients required to make paneer cups. They were excited and very eager to learn the new recipe. They developed their gustatory abilities through this activity. While making the sweets, teacher discussed about their favourite snacks and sweets. She also taught them about the importance of cleanliness in the cooking area. After the completion of the activity, students savoured eating the yummy paneer cups. They really enjoyed making the delicacies.
