

DELHI PUBLIC SCHOOL, GANDHINAGAR

Academic session 2020-21

Event Report

Title: Celebrity Look alike Day	Date: 1 st February'21
Classes : LKG	Venue: Online Classes

“Role play is more than just fun. It is an important element of learning.”

Drama builds confidence, develops language and communication skills. It encourages children to empathize by taking on the role of the character. It teaches children an understanding of different perspectives.

To foster the imagination and creativity of kids, Delhi Public School Gandhinagar organized “Celebrity Look Alike Day” in their respective virtual classrooms on 1st February'21 for LKG students. The students were given an opportunity to speak and bring forth their hidden talents. On this day the excitement, energy and the confidence level of the little children was really admirable as they portrayed and dramatized themselves in their favourite actor/actresses, freedom fighters, politicians, community helpers and different mythological characters. Glittering in their costumes, they performed dance, sang songs, delivered their dialogues, and slogans with confidence and passion.

All the students presented themselves with lots of zeal and enthusiasm.
