

DELHI PUBLIC SCHOOL, GANDHINAGAR

Academic session 2020- 21

Event Report

Title: Chocolate Day	Date:02/02/21
Venue: OVC Class	Class: Nursery

Chocolate is loved by everyone across the world uniformly by all ages. All melted in the sweetness of the chocolate when Delhi Public School organised “Chocolate Day” for the students of Nursery on 2nd February, 2021. The students were dressed in shades of brown, beige and white showcasing different flavour of chocolates. The enthusiastic chefs made chocolate ladoos with their teacher. They learned that chocolates are made of milk, cocoa powder, and sugar. They learned that excess of eating chocolates can cause tooth decay. Teacher guided the children about various processes used to make delectable chocolates. The joy of celebrating Chocolate Day with their classmates was seen on the gleaming faces as the tiny tots bid goodbye for the day with blissful memories.
