

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2025-26

Event Report

Title: <i>"Turning Trash into Treasure – Best Out of Waste Activity"</i>	Date: 05/07/2025
Venue: Classrooms	Class: VI

To encourage creativity, sustainability and environmental responsibility among students, Class VI organized an exciting event titled **"Turning Trash into Treasure – Best Out of Waste Activity"** on **05 July 2025**. The activity aimed to inculcate the habit of reusing and recycling discarded items in innovative and useful ways.

Students participated enthusiastically by bringing waste materials from their homes, including plastic bottles, old newspapers, cardboard, worn-out clothes, used CDs, ice cream sticks, bottle caps etc. With imagination and skill, they created beautiful and functional items such as pen holders, flower vases, wall hangings, organizers and decorative pieces.

The activity provided a platform for students to showcase their talent while understanding the importance of **"Reduce, Reuse, Recycle."** The top entries were awarded certificates and were put on display to encourage others.

The event not only highlighted the importance of **environmental conservation** but also boosted the students' **confidence, innovation, and teamwork**.
