

From the Principal's Desk

Dear Readers,

It gives me immense pleasure to present another edition of SPECTRUM, a vibrant reflection of the learning, achievements, creativity, and aspirations that define the spirit of Delhi Public School, Gandhinagar. Every edition of our magazine captures moments that remind us that education extends far beyond textbooks and examinations. It is about nurturing curious minds, compassionate hearts, resilient individuals, and responsible citizens who are prepared to contribute meaningfully to society.

This quarter has been particularly special as our students have once again brought laurels to the school with their outstanding performance in the CBSE Class X and Class XII Board Examinations. Their remarkable results prove, the unwavering guidance of our dedicated teachers, and the constant support of our parent community along with the hard work done by our students. We congratulate every student for achieving this significant milestone and making the DPS Gandhinagar family proud.

The school proudly applauds Prachi Jiten Shah (97.2%) from the Commerce stream, who emerged as the overall school topper. Uday Chauhan (96.8%) from Science and Srishti Kumari Singh (91.4%) from Humanities are the respective toppers of their streams.

The Class X students, too, brought immense laurels to the institution by securing a 100% pass result with an outstanding school average of 85.78%. Of the 270 students who appeared, an impressive 118 students scored 90% and above, reaffirming the school's pursuit of academic distinction.

Leading this exceptional cohort were the top three achievers: Gracy Rahul Patel, who secured an extraordinary 99.4%, followed by Vidhatra Viralkumar Patel (99.2%) and Maharshi Nandkishor Kumawat (99.0%). Their remarkable accomplishments, along with the commendable performance of all high achievers, stand as a testament to their perseverance, discipline, and passion for excellence.

At DPS Gandhinagar, we firmly believe that academic excellence is only one dimension of a child's development. Equal emphasis is placed on sports, performing arts, innovation, leadership, life skills, community service, and emotional well-being. Our vision is to create confident learners who possess not only knowledge but also the character, resilience, empathy, and critical thinking skills required to thrive

celebrate individuality, and foster experiential learning. Through innovative pedagogies, technology-enabled learning, wellness initiatives, and diverse co-curricular opportunities, we aim to create an environment where every child feels valued, challenged, and empowered to realise their fullest potential.

The pages that follow celebrate the remarkable journey of our students—their accomplishments, creativity, and unwavering enthusiasm. I hope this edition of SPECTRUM inspires every reader and serves as a reminder that every achievement begins with curiosity, every success with perseverance, and every dream with the courage to pursue it.
