Celebrating laughter, joy and imagination in the most colourful way, Delhi Public School, Gandhinagar organised “Clown Day” for the Nursery students on January 13, 2026.

The little ones came dressed as cheerful clowns in bright outfits, colourful wigs, and playful smiles, turning the classroom into a lively carnival of fun and happiness. The teacher created an engaging clown-themed environment where children enjoyed fun-filled games, listened to a joyful clown story, and danced enthusiastically to peppy music.

The celebration filled the air with giggles and excitement, encouraging creativity, confidence, and togetherness among the young learners. Through various playful activities, the day became a memorable experience full of laughter and learning for our tiny tots.
