Coursebook
Unit-3 A. Christmas Bells

Reading and explanation of the lesson.

Coursebook Exercise A.6 pg.no 64 (Answers)

a. ii. fought and chased one another.

b. iii. receive Christmas gifts.

c. iv. They always wanted to be together.

d. ii. dressed up

e. iv. getting presents from Father Christmas

Exercises to be done in notebook:

I WORD BANK:

1. transferred 2. backyard 3. lean 4. peeping 5. celebrate 6. stockings 7. scheme 8. behaviour

II Answer the following questions:

1. Would you call Shivam and John the best of friends?

A. Yes, Shivam and John were the best of friends because they did everything together. They went to school, did their homework in the afternoon, and played games. Sometimes, they fought, but it did not last long. The very next minute, they would be friends again.

2. How did Shivam feel when he noticed a change in John's behaviour?

A. Shivam felt curious when John's behaviour changed. John used to fight with him in a friendly way. Even after throwing sticks at him and eating his favourite ice cream, John didn't get angry. This made Shivam feel surprised.

III Answer the following questions in short:

1. Why did Shivam and John run to Father Christmas when they saw him?

A Shivam and John ran to Father Christmas when they saw him because they were excited to meet him.

2. Who had actually become Father Christmas?

A Uncle Thomas had become Father Christmas.

3. What did Uncle Thomas and Father Christmas have in common?

A Father Christmas and Uncle Thomas have a large mole on their noses in common.

IV Frame sentences:

1. **celebrate** - We love to **celebrate** festivals with family and friends.
2. **whispered -** She **whispered** a secret to her best friend.

CBE Questions

❖ **Answer these questions with reference to the context:**

1 ***"And that is how we became friends."***

a. Who does we refer to here?

A 'We' refers to Shivam and John.

b. How did the people referred to here become friends?

A The people referred to here are Shivam and John. When they met first, they fought and chased each other. Later they introduced themselves and became friends.

c. **What does this story tell us about friendship?**

A This story tells us that friendship means sharing, caring and loving each other.

❖ **Choose the correct option:**

1. Who gets no gifts on christmas?

A. (i) good children **(ii) naughty children** (iii) next door neighbours (iv) older boys

2. Shivam's father had been transferred to_____.

A. (i) Delhi (ii) Odisha **(iii) Mairang in Meghalaya** (iv) Mumbai

Reflection:

1. We learnt that friendship means sharing, caring and loving each other.
2. We learnt festivals symbolize hope, life, and are essential to celebrate shared traditions, history, and values.

21st Century Skills

Tech Lab

Type the following essay on "Our Community Helpers" in a Word document and follow the instructions given below.

Our Community Helpers

Community helpers are people who help us in our daily lives. They do jobs that keep our community safe and clean. Some community helpers are doctors, teachers, firefighters, and police officers. Doctors help us when we are sick. Teachers help us learn new things. Firefighters put out fires and keep us safe. Police officers protect us and maintain peace. We should always respect and thank our community helpers for their hard work.

We can all work together to appreciate and support these heroes every day.

- Make the heading of the paragraph bold to make it stand out.
- Italicise any proper nouns in the paragraph, such as doctors, firefighters, police officers.
- Change the font size of the paragraph to 14 and the font to Times New Roman.
- Change the colour of the last sentence of the paragraph to blue. Also, convert the case to toggle case.
- Apply border around the page.
- Save the document.

KIPS

CBE Based Extra Questions.

Section A: Tick the correct answer.

1. Which option changes CAPITAL letters into small letters?

   a) Lower case b) Font type c) Alignment

2. Which alignment is mostly used for headings?

   a) Left align b) Center align c) Right align

3. Which option helps organize points clearly?

   a) Font color b) Bullets List c) Numbered List

4. Which formatting effect is used in H_2O?

   a) Superscript b) Subscript c) Bold

5. Which formatting option changes the appearance of letters?

   a) Font type b) Font color c) Text align

Case Study 1

Meera is preparing a project titled **"Healthy Food"**.
She has:

- Typed the title.
- Written five food items.
- Wants the first letter of the paragraph to look attractive.
- Wants all food items to appear one below another.

Q1. Which two formatting features should Meera use?

a) Drop Cap and Bullets
b) Borders and Subscript
c) Superscript and Center
d) Change Case and Right Align

Case Study 2

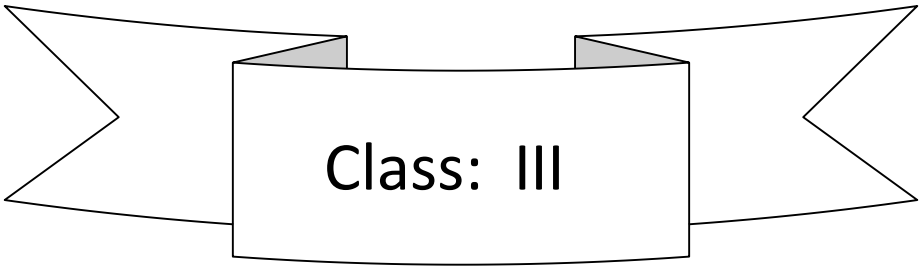

Rohan is making a Science project.
He writes:
CO2
He wants the number **2** to appear smaller and below the letters.
He also wants the heading to be exactly in the middle of the page.

Q3. Which formatting features should Rohan use?
Ans: Bullets make the food items neat, organized, and easy to read.

Q4. What will happen if Rohan uses Superscript instead of Subscript?
Ans: **Subscript** for the number 2 in CO_2

Aanya wants to select an entire paragraph in her document using the mouse. She tries different actions to do this. Which action will help Aanya select the whole paragraph?

- Single-click ☐
- Double-click ☐
- Triple-click ✓

Page No. 47

A. **Select the correct option.**

1. Words with spelling mistakes are underlined with a **red wavy** line.

   a) Blue wavy b) Orange solid c) Red wavy

Page No. 48

2. The grammatical errors are indicated with double **blue** lines.

   a) Orange b) Blue c) Brown

3. The Replace All button changes **all** occurrences of the searched text at once.

   a) One b) All c) Some

4. The **cut** option is used to move text from one place to another.

   a) Copy b) Paste c) Cut

B. **Fill in the blanks.**

1. The spell check starts from the position of the **cursor.**
2. The **thesaurus** feature provides a list of synonyms for any word.
3. A **clipboard** is a temporary storage area that stores the data that you cut or copy.
4. To select a word using the mouse, **double-click** on the word.

Hints: Clipboard Double click Thesaurus Cursor

C. **Write T for True and F for False.**

1. Double-clicking in the left margin selects a paragraph. **T**
2. Word has built-in sets of grammatical rules. **T**
3. The Find Next button highlights the next occurrence of a word. **T**
4. The spell check always starts from the beginning of the document in Word. **F**

D. Answer the following questions.

1. Define the term ‘editing’ in word.

Ans: **Making changes in a document is called editing.**

2. Write the use of the Undo command.

Ans: **The undo command lets you reverse your last action.**

3. Explain the use of the Spelling & Grammar feature.

Ans: **It helps you to check the spelling and grammar of the text.**

4. Write the use of the Redo command.

Ans: **The Redo command reverses the action of the Undo command.**

Page No. 49

E. Rewrite the steps to move the text in correct sequence.

1. Click on the Paste option.
2. Select the text you want to move.
3. Place the cursor at a new location.
4. Click on the Cut option.

Correct Steps:

1. Select the text you want to move.
2. Click on the Cut option.
3. Place the cursor at a new location.
4. Click on the Paste option.

Competency Based Questions

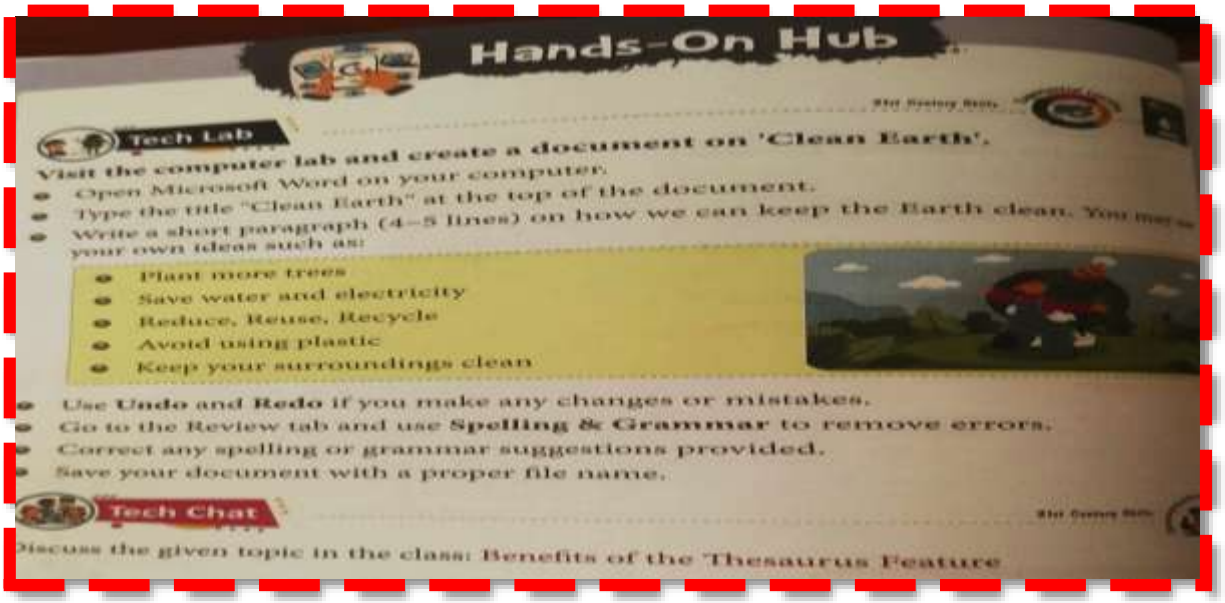

1. Anjali wants to change a word in her story to a different word with the same meaning. Which tool helps her find such words?

Ans: **Thesaurus tool**

2. Priya needs to check for spelling mistakes in her document. Which feature should she use?

Ans: **Spelling and Grammar feature.**

Brain Developer

A. Select the correct option.

1. Windows is an example of system software.
   a. Google Assistant b. Word c. Windows
2. The CPU is the main processing device in a computer.
   a. Monitor b. CPU c. Mouse
3. A Word Processor helps you write, edit, and print text documents.
   a. Word Processor b. Graphics Software c. Spreadsheet
4. A Scanner is used to scan the documents to the computer.
   a. Speaker b. Scanner c. Printer

Page No. 12

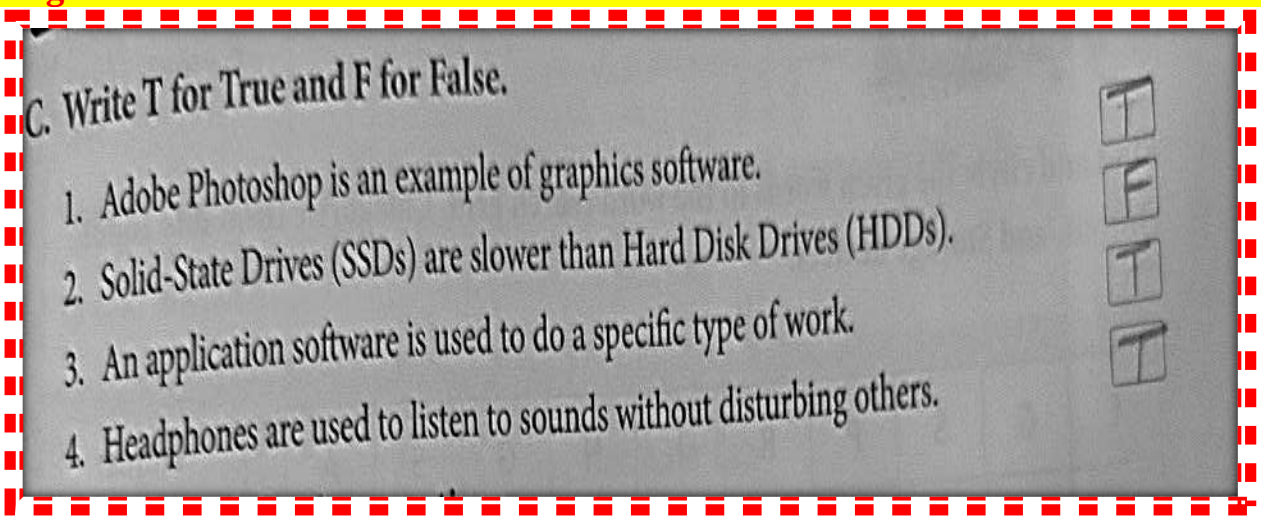

B. Fill in the blanks.

1. Hardware refers to the physical parts of a computer.
2. A Spreadsheet program helps you perform calculations.
3. PowerPoint is an example of a presentation software.
4. A printer prints text or pictures on paper.

Hints: PowerPoint Printer Hardware Spreadsheet

Page No. 13

C. Write T for True and F for False.

1. Adobe Photoshop is an example of graphics software. T
2. Solid-State Drives (SSDs) are slower than Hard Disk Drives (HDDs). F
3. An application software is used to do a specific type of work. T
4. Headphones are used to listen to sounds without disturbing others. T

D. **Answer the following questions.**

1. Define hardware. Name its types.

Ans. **Hardware refers to the physical parts of a computer. Types of hardware are input devices, Output devices, processing devices and storage devices.**

2. Define software.Name its types.

Ans. **Software refers to a set of instructions or programs given to the computer to do some work. Types of software are System software and Application software.**

3. Explain presentation software with an example.

Ans. **It allows you to create slides, charts, animations and video clips in an engaging way. Eg.- PowerPoint, OpenOffice Impress.**

4. What is an operating system?

Ans. **An operating system controls and coordinates all the activities of a computer system, serving as a bridge between the user and the computer hardware.**

Competency Based Questions

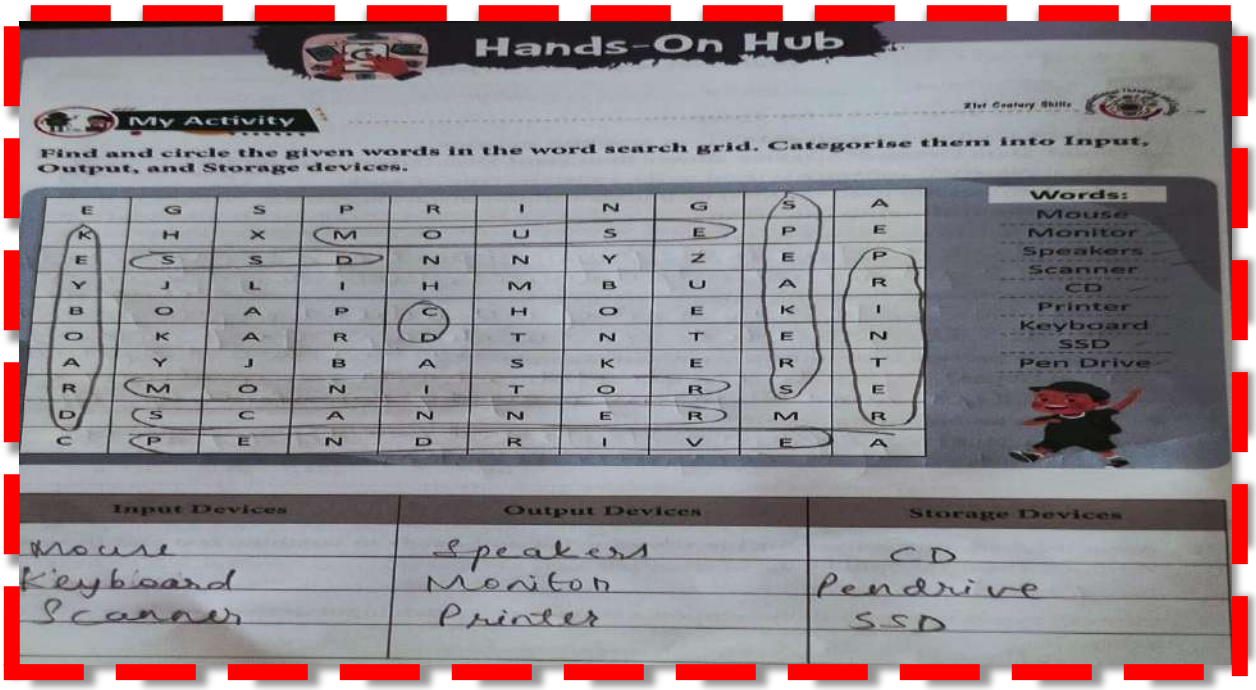

1. Arav is designing a flyer for his school event and needs to combine text and images. Which software should he use?

Ans. **Desktop Publishing Software.**

2. Ramesh needs to type a document on a computer. Which input device should he use to type?

Ans. **Keyboard**

Page No. 14

COMPETENCY BASED QUESTIONS.

A] Fill in the blanks.

1. The main processing device of a computer is called the **CPU.**
2. A **scanner** is used to scan documents or photos and send them to the computer.
3. A **printer** prints text or pictures on paper, giving a hard copy.
4. Small headphones that fit inside your ear are called **earbuds.**
5. **Application** software helps you do a specific type of work on the computer.

B] Read the scenarios and select the correct option.

1. If you want to type a story on the computer, which software will you use?

   a. Excel b. Paint c. Word

2. You want to listen to music without disturbing others, which device will you use?

   a. Speakers b. HeadPhones c. Scanner

Priya wanted to add her favourite photo in the background. Which option should she select from the Background settings?

- Picture
- Solid color
- Slideshow
- Windows spotlight

Page No. 26

A. Select the correct option.

1. The Taskbar is a long horizontal bar located at the bottom of the desktop.
   a) Status bar b) Menu bar c) Taskbar

2. Booting is the process of windows starting and locating into the computer's memory.
   a) Booting b) Restarting c) Logging

3. Sorting the dekstop icons mean arranging them in a proper order.
a) Screen saver b) Sorting c) Wallpaper

4. I-Beam icon is used for inserting the text in a document.
a) Normal b) Busy c) I-Beam

B. Fill in the blanks.

1. The main screen of windows that appears after booting is known as the **desktop.**
2. **Four headed** arrow is used for moving pictures and toolbars.
3. The background image of the desktop is called the **wallpaper.**
4. A **double headed** arrow is used for resizing windows or images.

HINTS:- Four-headed Double-headed Desktop Wallpaper

Page No. 27

C. Write T for True and F for False.

1. Windows 10 does not have a graphical user interface. **F**
2. Icons on the desktop can be arranged. **T**
3. The Busy pointer means that the computer is ready and waiting for input. **F**
4. Non-adjucent icons refer to the icons that are not next to each other on the desktop. **T**

D. Answer the following questions.

1. What are icons?

Ans: The small labelled pictures or symbols present on the desktop are called icons.

2. Define screen saver.

Ans: The screen saver is an image that pops up on the computer screen whenever the computer is left idle for a certain time.

3. Write any two features of windows 10.

Ans: It provides easy access to programs.

Microsoft Edge, is the default Web Browser in Windows 10.

4. Why is sorting icons on the desktop helpful?

Ans: Sorting helps you to find icons quickly and keeps your desktop clean.

Competency Based Questions

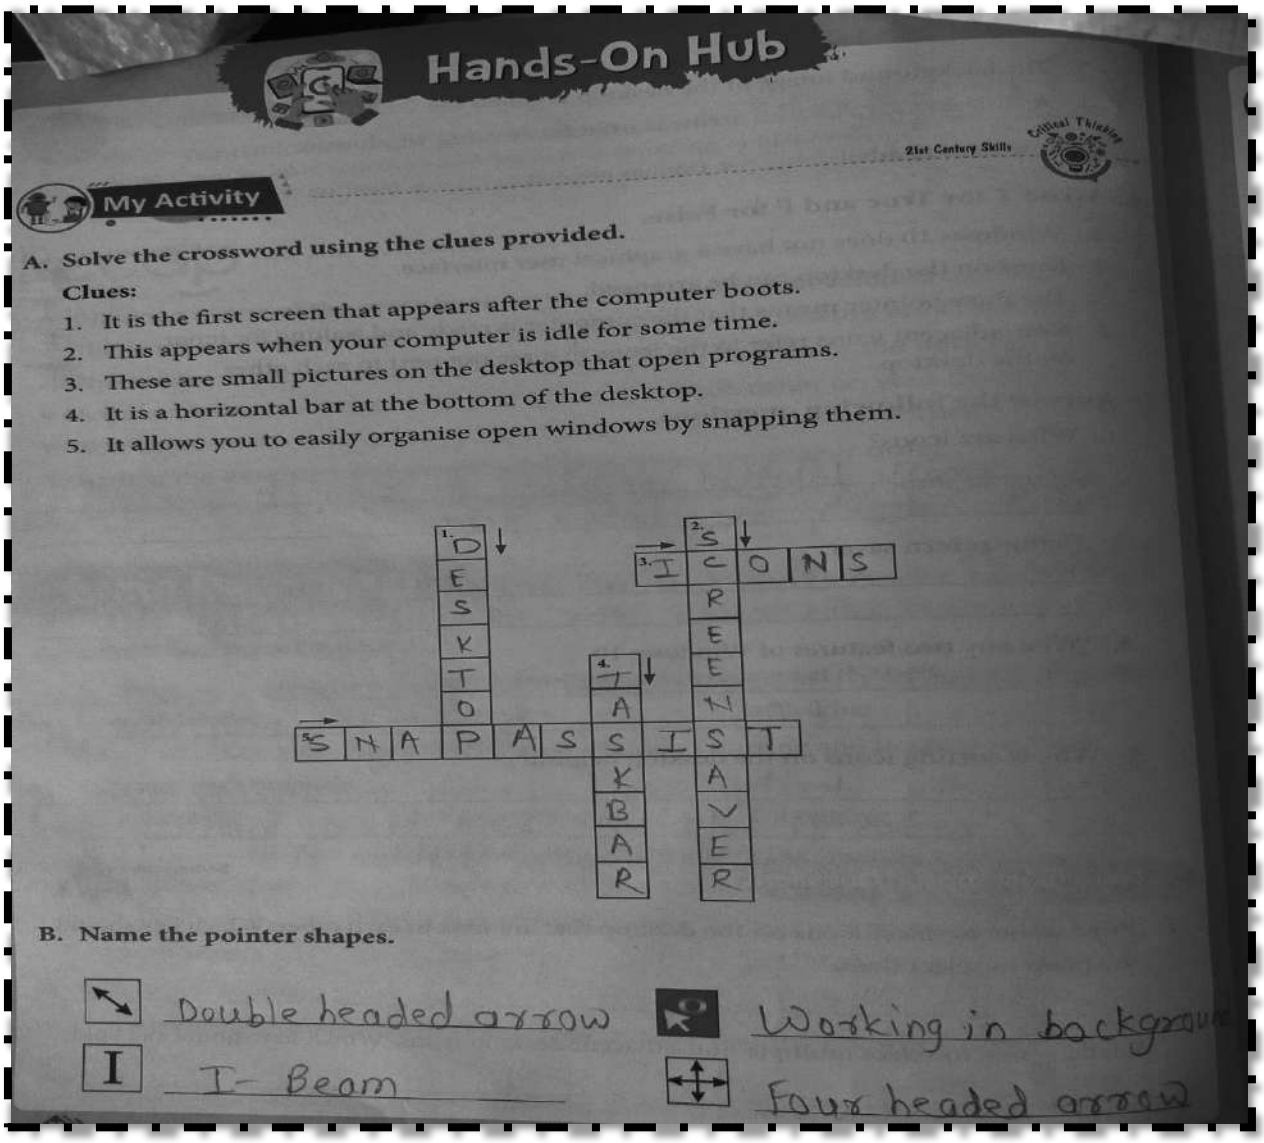

1. **Priya wants to select icons on the desktop that are next to each other. Which key should She press to select them?**

Ans: Shift Key

2. **Kavita wants to select multiple non-adjacent desktop icons. Which key should she hold?**

Ans: Control Key

Page No. 28

COMPETENCY BASED QUESTIONS

A. Select the correct option.

1. The process of loading the operating system into memory is called **booting**.
