

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2025-26

Event Report

Title: Tie – Dye Day	Date: 30.7.25 to 1.8.25
Venue: Classroom	Class: LKG

"Creativity is messy, and we love it that way!"

A splash of colour, a dash of fun — where creativity and joy become one. With this note, a Tie-Dye activity was celebrated by the students of LKG with great excitement on July 30, 2025, at Delhi Public School, Gandhinagar, bringing a splash of colour and creativity to our Pre-primary wing. The young learners arrived with plain white T-shirts and curious minds, ready to explore the exciting world of fabric dyeing.

Teachers guided the children through each step of the tie-dye process—twisting, tying, and applying vibrant colours. With a little help and a lot of laughter, the children watched their simple T-shirts turn into unique works of art.

The activity not only enhanced their fine motor skills but also gave them a sense of pride and joy in creating something all on their own. The day ended with the children happily showing off their colourful creations to their friends and teachers, sharing smiles and excitement about their artistic achievements.

It was a wonderfully colourful day filled with learning, creativity, and cheerful memories that the children will cherish.
