

DELHI PUBLIC SCHOOL GANDHINAGAR

Academic Session 2026-27

Event Report

Title: Messy Mud Day	Date: 10.07.26
Venue: Football Ground	Class: Nursery

“Tiny hands explored, muddy feet wandered, and happy hearts learned through the joy of messy play.”

Messy Mud Day was joyfully celebrated by the Nursery students of Delhi Public School Gandhinagar on July 10, 2026. The activity provided the little learners with a fun-filled sensory experience while encouraging creativity, exploration, and hands-on learning.

The Nursery class teachers thoughtfully arranged all the materials required for the activity, including mud, water, and a variety of toys. The children enthusiastically mixed the mud and water to create their very own mud pool. They happily explored the muddy puddles, played with toys, made mud creations, and thoroughly enjoyed the tactile experience with their friends. Laughter and excitement filled the air as the tiny tots splashed, played, and discovered the joy of messy play in a safe and supervised environment. The activity helped enhance their sensory skills, imagination, social interaction, and confidence.

To conclude the celebration, the children had great fun taking a refreshing sprinkler bath, washing away the mud while enjoying playful water splashes. The day ended with smiling faces and unforgettable memories, making Messy Mud Day a delightful and enriching experience for all the Nursery students.
